3- Reading

1- Read the following passage then answer the questions : 7 Marks

Modern communications have changed our lives. In the past, people communicated by letters or by phone. These modern communications like TV, internet and mobile are good because we use them to watch the weather forecasts, get information and call others. In America, people get bad hurricanes and they're getting worse. But modern satellites are collecting better information on their speed and direction. Mobiles are important too, as people use them to stay in contact with others and with the outside world. It is important to use the technology, these days. People usually do everything with the help of technology. In fact the internet makes a lot of things fast and easy.

A- Put (✓) or (×) : 3marks

1. (✓) Modern communications have changed the way we live.
2. (×) In the past people, communicated by mobiles and internet.
3. (✓) It's important to use the technology in the modern life.

B- Complete : 1 mark

1. Mobiles..... keep us in contact with others and the outside world.
2. Satellites are collecting better information on the speed and direction of hurricanes, so people understand them better now.
